SSAC 2026 HACKATHON | WASSERMAN FOUNDATION

FanMatch — Where Fandom Meets Identity

UNLOCK THE NEXT GENERATION OF FANS

A gamified identity experience that turns the FIFA World Cup 2026 into a gateway for lifelong football fandom.

Khalid Ansari | Tucker Paron | Daniel Merten

THE BLIND SPOT

Women fans are not emerging. They are underserved.

94.3%

of moms are primary or shared household purchase decision-makers

67.6%

of women aged 29-44 feel underserved by sports organizations

#1

Brand failure: "Products don't fit my needs or lifestyle"

Source: Power Players Research - Wasserman x Sloan MIT Research (n = 6,874)

THE SOLUTION

FanMatch: Find Your Soccer Player Match

A 90-second gamified identity quest that matches fans with soccer players based on shared values and offers more engagement challenges to collect merchandize vouchers

01

LEARN

Understand fans better (in particular: moms)

Not only are moms the primary decision makers on purchasing decisions, they also bring in potential new fans - their kids

02

ADAPT

Spark Participation through gamification

Complete quiz to unlock player match, complete challenges to collect points, convert points into merch vouchers, take part part in a lottery to meet your favorite player

03

CONVERT

Unlock Value

Use answers from questionnaire to further understand fans, target fans through their preferred engagement platform, show them the products they need / want

Voice in the Room

See Why Your Data Matters
You're part of a movement changing how fans are served

Your Voice Is Now in the Room

For the first time, FIFA sponsors and broadcasters are hearing directly from fans like you — not assumptions about you.

12,847 fans have shared their story

The Problem You're Solving

There's a massive gap between women's buying power and how sports brands treat them.

Women who are household decision-makers	94.3%
Who feel sports brands actually serve them	32.4%

61.9% Gap
Your data is how we close it. Every fan profile tells brands: **"This is what we actually want."**

What Your Data Unlocks

Personalized Experience
Products, content, and events matched to YOUR values — not assumptions.

Real Representation
2,200+ women said brands miss the mark. Your profile tells the industry: do better.

Exclusive Access & Rewards
Early ticket drops, curated merch, and behind-the-scenes content — just for active fans.

Your Impact, Already in Motion

3 FIFA sponsors committed to female-first World Cup activations based on fan data
Partnership

40% more family-friendly content and experiences planned at host venues for 2026
Families

Boston is getting a dedicated Family Fan Zone — shaped by fans like you
Boston

Player story content up 65% after fans said they want narratives, not just stats
Content

Stay In. Stay Heard.

Keep your profile active and be part of the movement that's making the World Cup better for fans who've been overlooked.

THE BRIDGE TO LIFELONG FANDOM

FIFA 2026 is the entry point. Not the destination.

1 2026 Men's World Cup

First-time data capture at large scale.
Establish fan profiles and test hypotheses.

2 2027 Women's World Cup

Add geo and travel data to existing fan profiles.
Further explore die-hard soccer fan segments.

3 2028 Olympics

Re-engage with personalized journeys.
Explore more specialized sports fandoms.

4 Year-Round Fandom (soccer, tennis, …)

Building long-lasting fan communities.
FanMatch becomes the fan OS.
